

Dear Affiliates

May this email find you in excellent health.

Sahulat recognizes your efforts for the development of Interest Free Microfinance Sector and serving the marginalized. The same is being recognized by the policy maker and now we are able to make our space in the national level documents. This year the Bharat Microfinance Report gave to page space to Sahulat Microfinance Society and the development made through the hard efforts of Interest Free Credit Cooperative Societies. We congratulate all of you and it could not be possible without you.

The cause with which we are working is very precious and the same needs to be protected. Therefore Sahulat advise all of its affiliates to develop their vision and mission statements get it approved by their respective boards.

This vision and mission statement would protect the object of the institution from any deviation in times to come. It will protect the institution and its object when the flag would be transferred to the generation to come. It will also protect the members from any exploitation and will precisely let you define and describe your path.

These statements will include the following;

1. Where and how you want to reach to.
2. How you will fulfill the need of your members.
3. What is the change you want to see.
4. What is your model and what are its modalities.

To help our affiliates we had organized a workshop on Social Performance Management in 2017, where we have invited select delegates from each region so that they can help the Sahulat affiliates in their respective regions to help in defining and maintaining the SPM indicators. For your knowledge i am providing below the name of the delegates region wise who were present in the workshop so that you can take their help while developing and defining your mission and vision statement.

1. Mr Azam Ali and Mr Muqthar from AP & Telangana
2. Mr Nayyar Fatmi from AlKhair Patna
3. Mr M H Khatkhat and Mr Wasiullah from TESIS
4. Mr Shaikh Ashraf from Marathwada Region
5. Dr Palath & Mr Ashfakh from Sanghamam

Please find the youtube link below if you want to watch the videos of that workshop for your understanding; we would recommend to watch the topic 11, 12 and 13 for the same.
